

### How to find us

Follow brown signs to Thornham Walks. Turn off the A140 at the Stoke Ash White Horse pub. When you reach the Four Horseshoes pub, turn right and drive through the village of Thornham Magna. Turn left just after the village hall and just before the parish church. You will find the entrance to the Thornham Estate on the right.

From the car park follow the signed pathway (towards the toilets) and continue through the covered way. Turn right and right again into the courtyard entrance of Beyond the Image Gallery.

# BEYOND THE IMAGE

**2012**

Gallery specialising in photography

13, Red House Yard, Thornham Magna, Eye, Suffolk, IP23 8HH  
email: [info@beyondtheimage.co.uk](mailto:info@beyondtheimage.co.uk) [www.beyondtheimage.co.uk](http://www.beyondtheimage.co.uk)

Beyond the Image is a group of photographers whose founder members originally met under the tutelage of Mark Power, an American Professor of photography. In June 2005 the group opened their own photographers' gallery in a converted barn on the Thornham Walks estate just off the A140 and midway between Norwich and Ipswich. The gallery is run on a not-for-profit basis and exists as a result of the combined voluntary effort of each of the enthusiastic group members.

New work by the Beyond the Image photographers is shown regularly through a quarterly programme of challengingly themed exhibitions. Guest photographers and artists are also invited to apply to exhibit on the gallery's original flint wall or to creatively use the ample floor space. Beyond the Image supports first time exhibitors and young artists and the gallery undertakes collaborative projects with degree students.

The Saturday photo-shoots are led by members of Beyond the Image and are as popular as ever – offering a day of photography with a group of people who share the same interest and are willing to share knowledge and skills. We provide the opportunity to all photo-shoot attendees to experience exhibiting in the gallery in our annual January exhibition. Courses on Photoshop and camera skills are also regularly available throughout the year.

A visit to the gallery can be combined with all that the Thornham Estate has to offer, including 12 miles of beautiful woodland walks, the walled garden, cafe, small shop and children's play area.
