

Beyond the Image is a group of photographers whose founder members originally met under the tutelage of Mark Power, an American Professor of photography. In June 2005 the group opened their own photographer's gallery in a converted barn on the Thornham Walks estate just off the A140 and midway between Norwich and Ipswich. The gallery is run on a not-for-profit basis and exists as a result of the combined voluntary effort of each of the nine group members.

New and lively work by the Beyond the Image photographers is shown regularly through a quarterly programme of challengingly themed exhibitions. Guest photographers and artists are also invited to apply to exhibit on the gallery's original flint wall or to creatively use the ample floor space. Beyond the Image supports first time exhibitors and young artists and the gallery undertakes collaborative projects with degree students.

The Saturday photo-shoots are led by members of Beyond the Image and are as popular as ever – offering a day of photography with a group of people who share the same interest and are willing to share knowledge and skills. We provide the opportunity to experience exhibiting photo-shoot work in the gallery in January. Courses on Photoshop and camera skills are also regularly available throughout the year.

A visit to the gallery can be combined with all that the Thornham Estate has to offer, including 12 miles of beautiful woodland walks, the walled garden, cafe, small shop, children's play area and field centre activity days throughout the year.

#### Courses at Beyond the Image

Beyond the Image has been successfully running Courses in Photography and Photoshop for a number of years. We hold day courses at both Basic and Intermediate levels. We teach you how to get the best from your camera, so that when you take a photograph you know what the outcome will be, rather than hope for the best. We explain how photoshop works and how it can enhance your photography. This year we plan to run courses bimonthly.

To see when the next course is available please view our website for dates.
